

Congratulations!

You have been nominated to join a select group of influential professionals as a member of the 2018 class of The Journey Fellowship – a program aimed at renewing leaders and transforming the field of youth work in Indiana.

Fellows attend four all-expense-paid retreats throughout the year focused on personal and professional leadership and renewal, benefit from executive coaching, have the opportunity to connect with national leaders in the youth development field, receive individual stipends to fund their own professional development and engage with colleagues to transform their own organizations and communities.

Please see the Journey travel map on the reverse side which highlights the components and structure of the fellowship program, and includes dates and locations for planned retreats.

We hope you will consider applying for one of the limited number of spots available for the 2018 year.

To apply please visit thejourneyonline.org
